Policy Statement: Salina Area Technical College seeks to offer students a complete college experience. To that end, the College has established Student Services. This policy outlines the College's expectations for student life planning and participation.

Procedures: SATC offers students a variety of social and educational opportunities to enhance their learning experience and connect with peers. In cooperation with faculty and staff, Student Services shall develop and deploy an annual plan for student activities. Activities shall be offered at a variety of times and locations to accommodate student preferences, schedules, and needs.

Participation: SATC's nondiscrimination policy shall apply to all student life activities. Students may be excluded from participation in activities pursuant to disciplinary action in accordance with approved policy.

Student Government Association (SGA): SGA members act as official representatives of the student body in matters needing joint student, faculty, or administration consideration. SGA provides a democratic means for students to govern themselves. SGA allocates funds to student organizations and sets appropriate standards and guidelines to ensure that the activities of all organizations adhere to college policy and its mission.

New Student Organizations: New organizations must meet specific guidelines set forth by the SGA and apply for official recognition before becoming an officially sanctioned campus organization. The Vice President of Student Services/designee shall facilitate review of all requests for new student groups through SATC's Student Government.
