As part of the acceptance process at Salina Area Technical College, an official final copy of your high school transcript or General Educational Development (GED) test transcript is required.

Individuals, who tested and passed the GED test in Kansas as well as Alaska, California, Colorado, Idaho, Indiana, Iowa, Maine, Massachusetts, Nevada, New Mexico, Oklahoma, West Virginia and Wyoming may request a copy of their GED test transcript by following these steps:

2. Complete the online order form using a credit or debit card, cashier's check or money order for payment.
3. Check your email or U.S. mailbox for receipt of your transcript or diploma.

Diploma Sender is a safe website that can be accessed from public computers with internet connections, often available at local public libraries.

If you cannot access the internet to order online, you may order copies by phone. Simply follow these steps:

1. Call (855) 876-3774.
2. Request your GED test scores/transcript.
3. Answer a few questions to assist Diploma Sender with identifying you.

Please note additional charges will apply.

The Kansas Board of Regents no longer processes GED requests. ALL Kansas GED requests will be processed through Diploma Sender. Additionally, State Agency (including the Departments of Education, Corrections and Commerce) or test sites (including Salina Adult Education Center) can no longer assist in GED requests.
