

### WELCOME TO THE S.A.T.C. TECHNICAL TIMES! BE ON THE LOOK OUT FOR MONTHLY NEWSLETTERS.

Thank you for taking a look at our new monthly newsletter. We have decided to create a newsletter to keep all of our students up to date with the happenings of S.A.T.C. and our S.G.A.

First of all please know that if you have any questions regarding the content of the newsletter or any new events, please feel free to contact your departments SGA Representative, Executives, or Instructors. We will do our best to answer all your questions or follow through with your suggestions.

### TSHIRT DESIGN CONTEST: DEADLINE EXTENTION

As you may know we are currently holding a contest for a new S.A.T.C. t-shirt design. We have decided to extend the deadline to Nov. 2<sup>nd</sup> 2009. Our Student Government Association will be narrowing down the top 5 designs and will then allow the student body to vote for the winner. As our previous announcements stated the winner will receive \$100 CASH! To briefly review the rules of the contest we have re-listed them here on the newsletter.

### TSHIRT DESIGN CONTEST RULES.

- Contest runs from Oct 6<sup>th</sup> to Nov. 2<sup>nd</sup>.
- Participants can enter as many designs as they like.
- Participants can work in teams, but will need to divide them prize themselves.
- Tshirts will be printed on BLACK ONLY .
- We can only use red and white inks  
The design MUST incorporate the Salina Tech logo in some way.
- No inappropriate content.
- On Nov. 2nd we will narrow down all designs to the top 5.
- The top 5 designs will be illustrated by CAA at the designers request.
- The top 5 designs will be voted on by the entire school body.
- Prize will be \$100.

# WHAT'S NEW

NEW HAPPENINGS AT S.A.T.C.

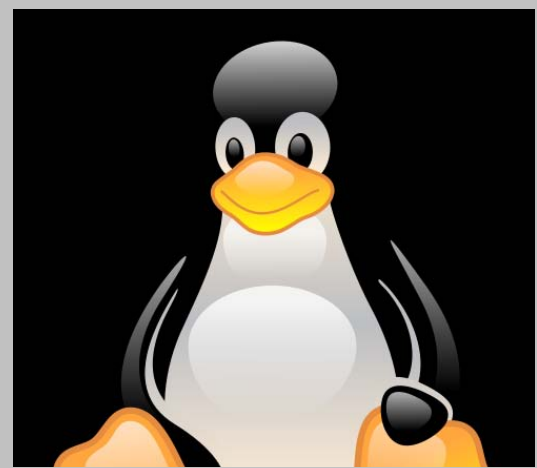

OCTOBER, 2009

**WE HAVE A FEW NEW THINGS GOING ON AND EVERYONE'S INPUT OR SUGGESTIONS WOULD BE WELCOME.**

## **MASCOT**

It has been suggested that since we have separated from the school district that we adapt a school mascot. Some students like the idea of a mascot and others do not. The primary reason behind not creating one is that we do not have any sports teams currently. It has also been suggested that we start some sort of intramural sports with surrounding colleges, so creating a mascot now may not be that bad of an idea. We placed the suggestion box in the front walkway of Building A for this primary reason. We would like to know what the rest of the student body thinks about creating a mascot. If the majority of the student body thinks we should, then we need to come up with a mascot. In the past we have had an interim mascot of a penguin. All comments or suggestions are welcome to help us determine the situation of the mascot. Please feel free to contact your departments SGA representative or any executive member for questions.

“We placed the suggestion box in the front walkway of Building A for this primary reason. We would like to know what the rest of the student body thinks about creating a mascot.”

CHRISTMAS PARADE

## Get involved in the Parade!!!

- We've been invited to participate in the 9<sup>th</sup> Annual Christmas Festival and 17<sup>th</sup> Annual Miracle on Santa Fe Parade of Lights.
- Parade is held Saturday November 21, 2009 at 6:00p.m.
- Route is down Santa Fe, starting at Elm St to Prescott St.
- SGA needs help in constructing the float and participants to be in the parade.
- For further information contact your department's SGA representative.

## WE'VE BEEN INVITED TO PARTICIPATE AGAIN!!!

Once again Historic Salina Downtown Lee District has extended the invitation to Salina Area Technical College to participate once again in the 9<sup>th</sup> Annual Christmas Festival and 17<sup>th</sup> Annual Miracle on Santa Fe Parade of Lights. It will be held Saturday, November 21, 2009 starting at 6 p.m. The parade route is Santa Fe from Elm St. to Prescott St.

The parade is centered on a Christmas theme and must be lighted. Traditionally entries have consisted of floats, horse drawn carriages, walking gifts, carolers, and vehicles decorated with the Christmas spirit.

SGA is asking for your help as Salina Area Technical College students, faculty, and staff. Last year we had a great turn out in the effort in decorating our float. We had a fireplace, stockings and gifts with a variety of other Christmas items. We also handed out Christmas cards with candy that provided further contact information to Salina Area Technical College.

This year, the thought is to incorporate a large variety of the different programs that are available at the college. Construction is building a small house that we may use as Santa's Workshop. We also will decorate the house and flat bed with bright Christmas lights. We are also going to be looking for volunteers to go along with the float, sporting tools that they may use in the course they are enrolled in.

If you are interested in lending a hand, or if you have any questions, feel free to approach your department's SGA representative, or visit your SGA President Shaun Alvarez in the Commercial and Advertising Art Department in Building A.
