

CAMPUS SECURITY INFORMATION

INTRODUCTION

Everyone has the right to attend Salina Area Tech in a safe and secure environment. The staff and instructors will do their best to uphold the Board policies on security as well as abide by State and Federal laws.

The policies and procedures regarding security on the SATC campus are outlined in this brochure. For additional questions, please contact the Administration office at 785-309-3100.

Salina Area Tech policies are designed to insure that students, staff and all property are protected at all times from possible damage or injury, outside intrusion or disturbances occurring on campus grounds or in campus buildings.

Firearms are not allowed on school property. Kansas Statutes Annotated 21-4204 defines unlawful possession of a firearm as “(d) possession of any firearm by any person, other than a law enforcement officer, in or on any school property or grounds....” A student shall not knowingly possess, handle or transmit any object that can reasonably be considered a weapon.

PLACE TO REPORT CRIMINAL OFFENSES

All offenses should first be reported to the instructor of the department. The instructor will report to the Administration office. If the police department needs to be contacted, an administrator will place the call to the proper authorities. In emergency situations, the SATC area is served by the 911 telephone number for ambulance, fire and police.

Report any suspicious acts, criminal actions or other emergencies immediately to a school administrator.

Let them investigate.

If requested, the name of the student reporting the criminal offense will be kept confidential.

ACCESS TO CAMPUS FACILITIES

Campus facilities are restricted to those who have a legitimate purpose for being on campus. Other persons will be asked to leave.

Facilities will be secured and locked when classes are not in session. Locks and other security equipment to buildings and their contents are checked regularly. Door keys are issued sparingly to school personnel to maximize security.

Board policy EBC, Security, states that the board will attempt, through its administrative, professional and noncertified staff, to ensure that students, patrons and all property owned by the district are protected at all times from possible damage or injury, outside intrusion or disturbances occurring on school grounds or in school buildings. The district shall cooperate with all law enforcement agencies.

PREVENTION MEASURES

The prevention of crime is everyone’s responsibility. Plan ahead and don’t place yourself or your possessions in danger.

- Mark all of your books, tools and equipment.
- Always lock your car, tool box and locker.
- Don’t carry large sums of money.
- Leave the building with a group of students.
- Be aware of everything and everyone around you.

SEXUAL VIOLENCE

Sexual assault is any sexual activity in which a person is forced to participate without consent.

It includes, rape, marital rape, date rape, same-sex assault, child sexual abuse, incest, unwanted sexual touching, sexual harassment and sexual exploitation by therapists.

The offender may be a stranger, but is most often a family member or a trusted acquaintance. Anyone can be a victim regardless of age, gender, race or socioeconomic background.

Information concerning registered sex offenders can be found on the internet at www.accesskansas.org/kbi/ro.html.

Remember, you are not responsible for the assault. You never lose your right to say “no” under any circumstances.

WHAT IS SEXUAL HARASSMENT

Sexual harassment is a form of discrimination in violation of Title VII of the Federal Civil Rights Act of 1964, Title IX of the 1972 Education Amendments, and Salina School District policy. Such behavior has the potential of threatening an individual’s academic performance, economic livelihood, career advancement, and psychological and emotional well-being.

Harassment is any action prohibited by State or Federal Statutes, Title VI, Title XVI, Title XX or Section 504 that:

- Has the purpose or effect of creating an intimidating, hostile or offensive work or academic environment.
- Has the purpose or effect of unreasonably interfering with an individual’s work or academic performance.
- Otherwise adversely affects an individual’s employment or academic opportunities.

All policies and procedures concerning criminal offenses are covered in the staff and student handbooks. The handbooks are reviewed with the instructors and students at the beginning of each school year.

ALCOHOLIC & MALT BEVERAGES & DRUGS

Public Law 101-226 was adopted and implemented to prevent illicit use of drugs and the abuse of alcohol by students and employees. A student shall not knowingly possess, sell, use, transmit or be under the influence of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, any controlled substance, alcoholic beverage, or intoxicant of any kind.

Violation of any provision of the behavior code will result in the suspension and/or expulsion of the student.

Drug and alcohol counseling is available for SATC students through the Central Kansas Cooperative in Education. Unified School District #305 and the Board of Control for Salina Area Technical School provide three additional resources for assistance. The Chemical Abuse Consultant, Substance Abuse Prevention Office, and Partners for Drug Free Schools all assist with the prevention of drugs and alcohol use. Referrals of students or employees for treatment or rehabilitation may be made to the Central Kansas Foundation for Alcohol and Chemical Dependency.

For additional information check the USD #305 Board of Education policies GAOA, GAOA-A, GAOB, and GAOB-R.
