- Demonstrate quality control and safety measures.
- Perform medical and business practices.
- Demonstrate competency in performing medical assistant clinical procedures.
- Demonstrate competency in performing medical assistant administrative procedures.
- Apply legal and ethical standards in decision making.
- Demonstrate understanding of basic anatomy and physiology knowledge.
- Demonstrate competency in using medical terminology.
- Identify and comply with principles of aseptic techniques and infection control.
- Apply basic pharmacological principles.
- Demonstrate effective task management, organization skills, and employability skills.
GENERAL EDUCATION PROGRAM OUTCOMES

- Compose coherent written communication.
- Deliver coherent oral communication.
- Show proficiency in locating, analyzing, documenting, and ethically using information sources.
- Perform and interpret calculations.
- Develop logical problem solving skills and/or critical thinking skills.
- Identify appropriate strategies for gathering, analyzing, and displaying data to draw conclusions from scientific data.
- Collaborate effectively, which cultivates a respect for human diversity.
- Demonstrate technology literacy appropriate to area of study.

OTHER REQUIREMENTS (AAS and Technical Certificate):

Program Requirements
- Students must pass all fall semester courses to be eligible for spring semester courses.
- Successfully complete the Registered Medical Assistant exam.

Clinical Participation Requirements
- Students must earn a minimum of an 80% in ALL of the first semester courses.
- Students must maintain a minimum of an 80% in ALL of the second semester courses.
- Students must have a minimum of 90% attendance in the program.
- Students must pass CPR and First Aid Certification prior to clinical participation.
- Students must complete required immunizations and tuberculosis skin test/screen and have documentation of flu vaccine (by end of first semester). Students will not be allowed to participate in clinicals without documentation of immunizations.
- Students must pass skills competency tests with at least an 85%.

Notes
- It is strongly recommended that Medical Assistant students work a limited number of hours due to the heavy curriculum load required by this program.
- Students are responsible for their own transportation to clinicals.
- Background and drug testing may be conducted.
