Research Database List
Updated Summer 2019

The Kansas State Library provides access to many of the below generally free resources. To access them, visit the Kansas Library Online Resource page (http://www.kslib.info/librarians/eor.html). The links on the Kansas Library’s Online Resource page should recognize your IP address as being inside Kansas and allow you access without the need to log in. Distance learners may have to log in using However, if you cannot access a database, ask our Learning Resource Center Staff or SATC English Faculty for assistance. Once you have a library card, you will be able to access the databases through the Kansas Library Card portal at: http://www.kslc.org.

Opposing Views is a database provided to you by Salina Tech. To access this database, please ask the Learning Resources Center Staff, or the SATC English Faculty for the password.

Don’t forget to cite your sources! For help, visit:
Son of Citation Machine
Purdue OWL

Below you will find 7 pages of links to and a description of the information resources currently available and commonly used by Salina Tech students. Please communicate with Learning Resources Center staff or your course faculty if you have any questions about how to use these resources or access the databases. We are happy to help!

If you have any questions, please contact Learning Resources Staff:
